Which statement best matches your situation?

Your Course

- My course cannot happen the way it was originally planned.
- My course was cut short.
- Two courses are being merged into one.
- I am taking over for another instructor.

What are the most essential learnings for your course?

(just pick 2 to start)

Your Outcomes

What content would students typically be exposed to?

How can this content still be made available?

Your Content

Existing Materials?
- What content is already available?
- What resources have you found valuable?
- What colleagues in your discipline might share resources?

How would students typically show they've gained the necessary knowledge or skills?

How might students still do this?

Your Assignments

How comfortable are you with learning technology?

(not very) 1 ------- 2 ------- 3 ------- 4 ------- 5 (very)

LOW TECHNOLOGY
- Read textbooks and articles
- Share files through ELMS
- Share video links through email
- Submit assignments by email
- Submit assignments by ELMS
- Discuss topics - conference calls
- Communicate over email

HIGH TECHNOLOGY
- Complete ELMS assignments
- Use ELMS discussion boards
- Use Piazza discussion boards
- Use ELMS quizzes
- Record Panopto videos
- Post lecture slides
- Host live webinars by WebEx
